ATTACHMENT A

On December 28, 2023, at approximately 5:01 p.m., Customs and Border Protection (CBP) encountered a vehicle bearing Texas license plates CKJ7224 attempting to cross southbound at the Anzalduas Port of Entry (POE). The driver of the vehicle was identified as Miguel Angel RODRIGUEZ Rivier (DOB: 08/06/2002), a United States citizen. CBPOs received a full negative declaration for monetary instruments in excess of \$10,000 United States dollars (USD), alcohol, tobacco, firearms, and ammunition from RODRIGUEZ. Due to RODRIGUEZ displaying nervous behavior, stuttering his words, looking around, and visibly shaking, CBPOs sent the vehicle to secondary inspection.

At secondary inspection, a search of the vehicle resulted in the discovery of more than 1000 rounds of 7.62x39mm ammunition, more than 40 firearms, and more than 80 magazines hidden in boxes in the bed of the vehicle, all of which was undeclared.

In a post-Miranda interview, RODRIGUEZ stated he was asked to do a favor for an acquaintance of his by picking up a vehicle containing gifts and driving the vehicle back to Mexico. RODRIGUEZ stated he was going to be paid \$300 USD for picking up the vehicle.

RODRIGUEZ stated that as he was approaching the POE, a toaster fell out of the truck. When he stopped to pick up and return the toaster to the truck, RODRIGUEZ observed a firearm inside another box in the truck. RODRIGUEZ stated he continued to the POE and attempted to cross into Mexico after observing the firearm.

RODRIGUEZ stated he knew it was illegal to take firearms and ammunition from the United States into Mexico. RODRIGUEZ stated he does not have a license to export firearms and ammunition from the United States into Mexico.
